Juniors 2 | John Patrick | 9781934187432 | 18.95 | paper | STARbooks

Ten years after its initial publication, STARbooks re-issues the erotic classic, JUNIORS 2 edited by John Patrick, a steamy collection of stories of lost innocence, new adventures and personal sexual discovery. The boys in JUNIORS 2 enter a new world of physical arousal at the hands of men of experience, who train them to use their bodies for their own pleasure and the pleasure of others. Whether on a wrestling or gymnastics team, spring break, Marine boot camp, or any number of places where young men find themselves, hot, sweaty, and horny, the boys in JUNIORS 2 find exactly what they need and keep coming back for more. This is JOHN PATRICK at his classic best!

Boys Caught in the Act | Mickey Erlach | 9781934187449 | 17.95 | paper | STARbooks

In his second STARbooks Press anthology, Mickey Erlach gives us hot boys who may or may not want to be caught in the act! Presenting an impressive collection of stories by the cream of gay erotica, BOYS CAUGHT IN THE ACT explores that little demon in all of us who wish someone would spy on us as we bend over and take it against a tree, get locked in a supply closet with a co-worker, get pulled over by the highway patrol, or get it on with a bud in the back of the bus. BOYS CAUGHT IN THE ACT also raises the adrenalin of those who don't want to get caught being serviced by a waiter, pounded by a buddy in his bedroom, spooned and stroked by a fellow band member, or even ogling the groundskeeper during mid-terms.

In 1953, Paramount was making a film with a new actress named Audrey Hepburn. *Life* magazine assigned one of its top young photographers, Mark Shaw, to shoot a feature, and he spent weeks with the star on and around the set. Shaw's extraordinary level of access resulted in an amazing array of photos and over 60 rolls of film that captured the budding ingénue's charm and grace on set and in everyday life. The images chronicled Hepburn waking up at home, having her hair washed at the beauty parlor, reading, relaxing, studying the script, chatting with her costars and director Billy Wilder, and acting in one of her most famous roles.
