Pope Francis' Little Book of Wisdom: The Essential Teachings

Compiled by Andrea Kirk Assaf

Inspiring words of love, hope, and compassion from a pope of the people. Pope Francis appears to be changing the face of Roman Catholicism. He has infused what some consider a

staid institution with openness and optimism. He has faced off against established power interests within the Vatican. He has reformed the Church's finances. And, most importantly, he has asked that Catholics approach one another and non-Catholics with candor, humility, and love. He has made the papacy and the Church relevant once again.

Pope Francis' teachings have been praised and shared by the faithful and nonreligious alike. Exploring themes such as faith and prayer, love and family, peace and poverty, this collection is accessible to all who admire the man and are inspired by his wisdom. Included in this gift-format edition are fifteen chapters on wide-ranging topics including:

- On Family
- On the Law of Love
- On the Nature of God
- On Humility and Faith
- On Sacrifice and Suffering
- On Prayer
- On Peace
